Dear Families,

A Sea of Learning accepts the NCSEAA Scholarship Funds!

You may qualify for “FREE” Tuition!

North Carolina has moved even closer to becoming a “State of Educational Choice.” Basically, this means that the monies that would often go to public schools, can follow your child to the school you choose to attend. Based on the size of your family, and your income, you may qualify for full funding...or “some” funding. Opportunity Scholarship is now much easier to receive than it has been in the past. If approved, the money comes directly to our school.

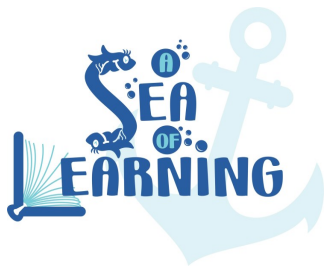

FEBRUARY 1 is the opening date to apply!

Families who apply in the month of February are given first consideration for funding. I encourage all to take a look!
